I...
I AM TRULY SORRY...
MAKING A FOOL OF MY PAGE IS THE SAME AS MAKING A FOOL OF ME.
THIS IS A BLUNDER ON MY PART, SO...
DON'T EVER SHOW YOUR FACE TO ME AGAIN!
SO YOU WERE MADE A FOOL OF BY AN IGA NINJA.

LIE-RIN'S WAY OF THE MANGA (17)

I felt stressed about the lateness of my editor's replies, so I began to draw a rough draft of a manga that I was going to send to a different publisher. Around that time, I finally received a reply from my editor telling me that the rough draft I'd sent them previously had been accepted, so I was able to start working on the final draft. That was around autumn of my third year in middle school, and my high school entrance exams were getting close. At first, I intended to apply to a normal local high school, but after I decided to become a manga artist, I became interested in going to a private high school with an art department.
